# Thank you for your contribution

The visitor's tax makes a significant contribution to improving the quality and further development of the holiday region Gstaad for our guests. A large portion is used to improve and expand the infrastructure.

We would like to show you a few examples.

Construction and renovation of numerous leisure and barbecue areas.

Maintenance of five cross-country skiing areas with 111 km of trails in total.

Implementation of various projects. (For example Trail-Crew).

Maintenance of 162 km of winter hiking trails.

Construction of a new playground in Schönried.

Fondueland Gstaad with two new XXL caquelons in Lauenen and Zweisimmen.

Maintenance and further development of ecological toilets.

Maintenance of over 600 benches and wooden loungers.
